## ABOUT THE ROCKET LAB COMMUNITY GRANTS

Through our Rocket Lab Community Grants we fund and support causes that align with our values; encourage education and careers in science, technology, engineering, and maths (STEM); support environmental efforts; and contribute to thriving communities where we live and launch.

Grant recipients in the past have included schools, sporting clubs and organizations, environmental programs and volunteer groups, and more.

## ROCKET LAB COMMUNITY GRANTS SELECTION CRITERIA

While we'd love to support every single cause that comes our way, we receive more applications for funding than it is possible to accept. To ensure the best chance of success for funding, your application should align with the following guidelines:

- › Benefit Mahia, Wairoa, and/or the wider Tairāwhiti (Gisborne) and Te Matau-a-Māui (Hawke's Bay) regions.
- › Benefit Long Beach and Los Angeles County regions.
- › Benefit Wallops Island and surrounding regions.
- › Benefit the Toronto region, Canada.
- › Focus on or encourage STEM education and careers, especially if your project has a specific focus on aerospace.
- › Create positive social impact, especially if your project promotes diversity and inclusion or benefits under-served communities or projects.
- › Create positive environmental impact, especially if your project will have significant and long-lasting change.

## DEADLINES

**First half of the year applications** (received January 1 – May 20) will be reviewed and considered for funding no later than June 1. Successful Rocket Lab Community Grant applications will be confirmed via email no later than June 10 and awarded funding shortly after.

**Second half of the year applications** (received June 1 – November 20) will be reviewed and considered for funding no later than December 1. Successful Rocket Lab Community Grant applications will be confirmed via email no later than December 10 and awarded funding shortly after.
